A-28 Day Program for
Landing the Job You Want

“Why can’t I find a job?”

“I’ve been searching the Internet and answering job ads for months, and I’m getting nowhere”

“I’ll have to find something soon before the money runs out”

“I need to learn good job searching skills”

Does this sound familiar to you?

If you're ready to make a change and finally learn how to find the job you want, then this program is must for you. GET HIRED NOW! Will teach you what most job-seekers never learn — how to market yourself in today's challenging job market.

Do you think it is the time now that you have a structured and effective job search plan in place?

What you will receive with the program:

- A 3-hour information packed seminar with a group or via telephone
- Complimentary copy Get Hired Now Book (only for Live classes)
- 3 hours of follow-up group coaching sessions with a small team of job-seekers, via telephone
- Tool kit for proven job search strategies
- Your customized 28 day job search plan which you can put in to action
- Coaching, accountability & support from your coach and other team

Don't miss this exciting opportunity. NEW sessions commencing soon. **BOOK NOW!**
